

## A UNIQUE UNIVERSITY ENTRANCE OPPORTUNITY FOR ATHLETES

Dear Athlete,

The need for athletes to have a focus on career development outside of sport has never been more important.

That's why we're pleased to announce that ZISHI Cornerstone, part of trading and education company OSTC, has partnered with Sheffield Hallam University to offer sportsmen and women a pathway to a degree like no other.

If you've achieved a minimum of 64 UCAS points so far, the addition of **ZISHI Cornerstone's Level 5 Advanced Diploma in Financial Trading** will provide you with an unconditional offer from Sheffield Hallam for their BSc (Hons) Financial Trading & Investment Management Degree.

This would save you having to do a foundation year, as well as £9,250 in university fees.

### FIRST OF ITS KIND

ZISH Cornerstone provides access to industry recognised trading programmes and professional qualifications. This degree was created in collaboration with the university's AACSB Internationally Accredited Business School, which is in the top 5% of business schools in the world. It's an opportunity only open to sportspeople and bridges the gap between sport and entry into Higher Education.

If you're already on our trading programme, this is the perfect incentive to stay the course and secure a place at one of the world's leading business schools.
